

A little bit about Cathy

Hello, my name is Cathy Phillips and I am the owner of Salon Illusions a salon inside of Salons of the Woodlands . I have been the owner of Salon Illusions for 17 years and I also worked in a large chain salon for 15 years. With many years in the beauty industry, I still love my career.

I grew up the only girl with 5 brothers and an extended large family in Michigan. I have many of Aunts and Cousins working in the beauty industry. I did my first perm at 12 years old on my sister in law. She was a brave soul but she said I know you can do it. And I did!

My passion is in color though, balayage, highlights, and grey coverage, I love it all. I am constantly learning new techniques by attending hair shows and continuing education classes. I want to bring my clients the latest trends.

When I am not working, I like to travel with my husband and 3 sons. I love to read and listen to podcasts. Knowledge is my brain food.

I look forward to meeting you and learning more about you
